Sir,

Re Contribution towards the Local Reading Room by the Turuvekere Minor Municipal Council at the place

In forwarding herewith, in original, the connected records received from the President, Minor Municipal Council, Turuvekere on the above subject, I have the honor to state as follows -

The President states that no orders of Government seems to have been obtained in the past, but the contribution is being paid to the local Reading Room on the basis of the provisions made in the sanctioned budget estimates of this Municipality during each year As it was observed by me (during the sanction of the budget estimates for the current year) that sanction of Government is necessary for the payment of the said contribution in future, the President now seeks sanction to the payment of Rs 60/- as contribution to the said Reading Room every year

I request that sanction of Government may be kindly obtained in the matter

I have the honor to be,
sir,
Your most obedient servant
